

INTERNET STUDY FOR MOMS!

Do you have a child between
3-16?

WHO'S NEEDED?

Mothers with or without ADHD, who have at least one child between 3-16.

WHAT'S INVOLVED?

Mothers will complete online questionnaires about their beliefs about themselves. Mothers will designate a close relative or friend who will also complete online questionnaires about the mother.

HOW LONG DOES IT TAKE?

45 minutes for mothers
20 minutes for the close friend or relative.

COMPENSATION?

Mothers receive **\$15** for participating.

If you would like more information, please call Dr. Johnston's Lab at:
(604)822-9037

This research is being conducted by Dr. Charlotte Johnston, Professor of Psychology, at the University of British Columbia
