User's Guide

- 1 | When distilling the many motions of the past three years, we chose the 24 that relate most significantly to the Guelph Civic League values and those of our members (see right).
- 2 | There are three levels of information: a clear rewording of the actual motion with the name of the councillor who made the motion, our statement of how it fits with our values, and the vote. You can also search by councillor and by issue.
- 3 | The votes are denoted with a plus-sign **+** when they are in support of the GCL values and a minus-sign **-** when they are not.
- 4 | Each councillor received a percentage score, based on the number of votes that aligned with our values.
- 5 | Read the Guelph Civic League values. Ask what YOU value. Then check the votes and scores of the council members in your ward.

Please, VOTE knowledgeably.
The future of our city depends on it.

Guelph City Council – Voting Record

The Guelph Civic League is a group of citizens working to make sure Guelph gets the capable, honest leadership we deserve.

These ten values direct our work:

- › Greater voter turnout.
- › Genuine public consultation on major issues.
- › Better city planning and design to manage growth.
- › Clean economic development to offset residential taxes and provide jobs.
- › Complete cost/benefit analysis of major decisions and investments.
- › Less red tape for local businesses.
- › Ecological awareness and protection of the highest standard.
- › A strong commitment to culture and the arts.
- › Heritage identification and preservation.
- › Quality and beauty as civic priorities.

Guelph Civic League Value – PLANNED GROWTH

The Guelph Civic League believes that compact, efficient, well-designed mixed-use communities are the way of the future and that suburban sprawl is too costly and unsustainable.

How did your representatives vote?

The majority voted in **opposition** to our planned growth values.

Guelph City Council – Voting Record

24 January 2006

THE MOTION:

Growth: Sidestep Provincial Sprawl Policy

Baily motion that the city's more lenient plan for undeveloped lands (greenfields) should take precedence over the Provincial "Places to Grow" document.

Guelph's Future. Your Choice. On November 13, VOTE for what you VALUE.

Guelph Civic League Value – PUBLIC CONSULTATION

The Guelph Civic League believes that most people don't understand that an at-large system – the alternative to our existing ward system – favours candidates backed by big money. The “public education process” approved by council hasn't happened.

How did your representatives vote?

The majority voted in **favour** of our public consultation values.

Guelph City Council – Voting Record

Ward System: Fund Public Education

1 May 2006
