SILENT AUCTION

March 31, 2007
Royal Vancouver Yacht Club
7:30 p.m.

Program Guide & Catalogue

ACKNOWLEDGMENTS

This incredible event was made possible by the generosity and efforts of many individuals and businesses.

We are indebted to our local and not-so-local merchants. Thanks to their generous support, we are able to offer a wide variety of excellent quality goods and services for auction. Many of our merchant donors are ongoing supporters of our preschool, and for this we are extremely grateful. To show your support, please think about supporting our local businesses in your future purchases. You may learn about some new unique shops tonight!

We also extend our gratitude to the many families of our preschool who donated their time, money, and a wide variety of items, for the auction. These contributions are invaluable to the success of the event.

And of course, a big thank you to Nick Fry, who is back by popular demand as our auctioneer. Have an enjoyable evening and best of luck in the bidding!

Your Fundraising Committee

HOW IT ALL WORKS...

7:30 Festivities begin
Please put your name on your admission ticket and place in our door prize box. If you have pre-ordered your alcohol tickets, collect at the door. Raffle tickets will be sold up to 9:00 for our raffle table and pottery. Beer, Wine and Pop tickets will be sold throughout the evening.

7:30-9:00 Silent Auction
Silent auction items listed in this program guide are displayed on tables. Each item has a corresponding bid sheet. If you wish to bid on the item, add your name to the next free line and indicate the amount of your bid. Please note the bid increment suggestions as well as any information re Expiry date.

9:00 Bidding closes for silent auction
No further bids will be accepted. The last bid placed for each item is the winning bid. You may collect your item at 15 minutes after the close of the Live Auction portion. Please remember cheques only.

9:00 Door Prizes, Raffle Table, Pottery Raffle winners announced.

9:15-10:15 Live Auction
Get ready to Rumble! A few of the more intriguing items will be auctioned off "live," with the aid of our volunteer auctioneer, Nick Fry.

Please note, we have tried to make our catalogue as accurate as possible...however, there may be items in the catalogue that will not be available for bidding and there may be some items for bidding which have not been displayed in the catalogue...
