

Due to the extraordinary generosity of our donors, the Global Wheelchair Mission network has delivered over 725,000 wheelchairs to children, teens and adults in 152 countries around the world.

KNIGHTS OF COLUMBUS PARTNERSHIP

In 2003, the Knights of Columbus began a working relationship with the Global Wheelchair Foundation network and sponsored 2,000 wheelchairs to be distributed in Afghanistan. In 2004 and 2005, the Knights sponsored another 2,000 chairs for distribution in the Middle East, Philippines and Mexico. In 2006, another 2,000 were distributed in the Philippines, Mexico, and Poland.

Currently the partnership is broadening rapidly across Canada, touching the hearts of Knights, councils and their priests and parishes. Canadian States and councils in cooperation with Canadian Wheelchair Foundation have already sponsored whole containers of wheelchairs to Afghanistan, Mexico, Vietnam, Cuba, Sierra Leone and the Dominican Republic, to name a few.
