

## Parent Agreement – 2's Program

I, \_\_\_\_\_, parent/guardian of \_\_\_\_\_, have read carefully the Parent Agreement of the Dunbar Memorial Parent Participation Preschool and agree to follow it to the best of my ability.

On my participating days, I will arrange to arrive and leave the preschool at the designated times. So that both my enrolled child and I may get the most out of the day, I will not bring my other children to the preschool (new infants excluded). If I cannot be present, I will inform my class VP immediately of any duty day trades so VP can update the Duty Schedules.

I will be responsible for the care and transportation of my child to and from the preschool.

I will make every effort to be prompt in bringing my child to preschool and in departing with him/her after preschool finishes.

I will not send my child to school if there is any question of illness. On my participating days I will not come if I am ill, nor will I bring siblings on the premises if they are ill. If my child contracts a communicable disease, I will notify the Teachers and/or the President immediately.

I will pay my child's tuition fees promptly as arranged with the Treasurer.

If it becomes necessary to withdraw my child from the school, I will give **one month's notice** in writing to the Secretary and verbally to my Vice-President, **or pay one month's dues in lieu of notice**. If this withdrawal is after April 1<sup>st</sup>, I expect to forfeit the remainder of the year's tuition fees.

I am willing to serve in some capacity on the Executive or on a committee.

I endeavor to do the Preschool job assigned to me to the best of my ability.

I understand that the Enrolment Chairperson is to be advised immediately of any changes in circumstances from those stated on my registration form that affect my ability to carry out my responsibilities in the school.

I undertake to attend each parent education meeting in compliance with the Community Care Facilities Licensing Act and DMPPP policy. I agree to notify my Vice-President if I am unable to fulfil this commitment and agree to make up the missed parent education session with an alternative acceptable to the Executive.

I understand that, in the Preschool and on the playground, the Teachers have overall responsibility for programs, teaching methods, discipline, and health and safety measures.

I hereby authorize the teachers to carry out regular health inspection of my child; to arrange for periodic examinations by public health personnel; to send my child home accompanied by a responsible adult if he/she appears ill; and in case of emergency, to call my family doctor or a qualified physician, or emergency service.

I will keep the Teachers informed of any event or change in routine at home which might affect my child's behaviour.

The Personnel Committee, in conjunction with the Teachers, reserves the right to recommend to the Executive the withdrawal of any child:

- whose influence or behaviour may be considered detrimental to the welfare of the school/class, or
- who is not able to adapt to the classroom situation.

If I have questions about my child's progress or the program of the school, I will direct them to the Teachers. I will direct queries or suggestions about the administration of the Preschool to the Executive.

I understand the school's insurance plan covers children enrolled in the preschool. The insurance plan also covers participating caregivers of enrolled children. It does not cover visiting children or guests (i.e. nannies or Grandparents).

In case of injury to my child while in the care, custody or control of the Preschool, I hereby waive all claims against the Preschool in excess of public liability insurance carried by the school.
