and future of this unique  
site at the Gibby's Field  
Neighbourhood Picnic!**

**chat with your neighbours**  
邻里交流

**voice your opinion**  
各抒己见

Gibby's Field was a magnet for local kids to go play because a major stream ran through it until at least 1944. It still contains a stream bed! It was owned by prominent local citizen Moses Gibson (1850-1937), who grazed his dairy cows there. The local kids called him "Old Man Gibby," hence Gibby's Field.
