Eric Johnson, PMP eric.johnson@bchydro.bc.ca
Project Manager for the 26 September
2001 PD Seminar, has assembled a group of four presentations by local PMPs
who will speak to "Implementing Project Management in the Real World".
Each presentation will be followed by facilitated workshops which will allow
all of the participants of the PD Seminar to contribute and share their
knowledge on the issues.

Bryan McConachy, PMP
Why you need to Invest in Project Management

Lucy Guest, PMP
Implementing a PMO in a non-projectized, functional organization

David Truman, PMP
Time Tracking Methods and Madness

Ron Lee, PMP
The TransCanada Hwy HOV lane, getting the most of what we got

The cost of the seminar will be \$50.00

This event is intended for PMPs, but you may register guests who are
committed to the advancement of the Profession. Practitioners who plan to
become certified as PMPs, for example, are welcome.

Reserve Now!! The previous seminars have all sold out!
