Registration Policy - Fine Print

~~~~~

Registration for a seminar does not open until a registration notice, such  
as this one, is broadcast. There is no provision for advance registration.  
Only those applications received after the time of broadcast will be  
considered.

Every application to register received will be considered a firm offer to  
register and to pay the full fee. Applications will be accepted strictly in  
the order in which they are received by the seminar Registration Manager,  
Linda Molinari. Every application will be acknowledged by email. Once the  
registration limit is reached, a waiting list will be started. Cancellations

will be accepted up to midnight, Friday, September 23, 2005. Those on the waitlist will be accepted in priority order if spaces become available, and the waitlist candidate will be notified of acceptance by email. A waitlist candidate must cancel to be removed from the waitlist.

The Society is not responsible for ensuring that any registrant has received notification of acceptance. Any registrant who does not show is expected to pay the full seminar fee. Accepted registrants who fail to pay the full seminar fee will be prohibited from registering at future events until the payment is received.

Payment by cheque is preferred. Cash is accepted; please try to bring exact change. No credit cards or Interac (debit cards) are accepted.

The Registration Manager for the September Seminar is Teresa Marshall, PMP, [teresa.marshall@ambit-consulting.com](mailto:teresa.marshall@ambit-consulting.com)

 FRUSTRATED APPLICANTS ON THE WAITLIST  
 CONTACT US  
 \*\*\*\*\*

The February, April, and May 2005 seminars were sold out within two days of the notice. In fact, they were oversubscribed by more than 100%!

In recognition of the frustration of those who attempted to register, but ended up on the wait list, the disappointed wait-listed registrants will be given the opportunity to register for the October repeat seminar one week in advance of the general notice. Unfortunately, because of a computer mix up, the Society does not have a complete record of the frustrated waitlist applicants. We need these people to identify themselves.

If you were one of those who submitted an application in February, April, or May, 2005, but did not get a seat, please contact Mike Vande Guchte, PMP [mikevg@radiant.net](mailto:mikevg@radiant.net) . Put "Frustrated" in the subject line of your message.
