VOLUNTEER FOR THE 2008 PROGRAM

- YOUR ROLE IN THE SOCIETY

The Society is based on the principle that we learn from each other, and each of us has valuable experience to share, or facilitation and management skills to contribute.

We are now planning our program for 2008. If you have an idea and the desire to organize a seminar, have a presentation or workshop to offer, or can work on a seminar management team please contact Walter Wawruck, PMP,
wawruck@intouch.bc.ca

Unless a volunteer Project Manager steps forward from the ranks of the local PMPs, a seminar does not proceed.

In addition to the Project Manager, these are the roles on the management team for each seminar. Additional volunteers are invited for all. One person may be asked to do two or more jobs:

- Technical Program
- Binder Co-ordination
- Facilities and Food
- Registration and Collection
- Evaluation Report
