 Inclusive fee: \$80

REGISTRATION WILL BE LIMITED TO FIFTY (50) ATTENDEES  
 Registration Draw Cut-off: Midnight Friday, September 10, 2010  
 Cancellation Deadline: Midnight Wednesday, September 15, 2010.

Seminar participants can claim seven PDUs for the day. We now have confirmation from PMI that, in addition to the time they spend as participants, Presenters can claim ten PDUs and Workshop Leaders can claim five PDUs for serving in those roles.

This is a full-day seminar. If you register it is understood that you plan to attend for the entire day. If you leave early it is a discourtesy to your fellow professionals. Another PMP from the wait-list has been denied the opportunity to attend, and the presenters at the end of the day are slighted.

 Registration Policy - Fine Print

~~~~~  
 As an incentive - and reward - for service, the November 25, 2009 General Meeting of the Society approved a priority system which gives preferential access to seminar registration. Presenters, workshop leaders, management team volunteers, and retired officers will be given first priority for available seats for a period of time following their service. The remaining seats will be assigned through a lottery as has been done in the past.

The list of individuals eligible for first priority seating, along with the rules for assigning available seats, can be downloaded at  
<http://www.vcn.bc.ca/pmprof/A-List.PDF>

For the September 22, 2010 seminar, once seats have been assigned to the presenters, the management team for the day, and the priority applicants, a lottery shall be used to determine which of the remaining applications for registration are chosen for acceptance, in accordance with the rules set out below.

Registration for a seminar does not open until a registration notice, such as this one, is broadcast. There is no provision for advance registration. Only those applications received after the time of broadcast will be considered.

Each application received by the Registration Manager prior to midnight September 10, 2010 will be assigned to either an A-list pool or a regular pool. Each application will be given a random priority number within the pool. Available seats will first be awarded to those in the A-list pool in priority sequence. The remaining available seats will be awarded to those in the regular pool in priority sequence. Once the registration limit is reached, the remaining applications will be placed on a wait list in priority sequence, first A-list then regular. Each application received after midnight September 10, 2010 will be assigned the next sequential regular priority number in the order it is received, whether or not the applicant is on the A-list.

Each application will be acknowledged and each acceptance will be confirmed by email.

Each application received will be considered a firm offer to register and to pay the full fee. Cancellations will be accepted up to midnight, Wednesday September 15, 2010. Those on the waitlist will be accepted in priority order if spaces become available prior to the cancellation deadline. A waitlist candidate will be notified of acceptance by email. A waitlist candidate must cancel to be removed from the list.

The Society will issue an email notice of acceptance to the address provided in the registration application, but is not responsible for ensuring that any registrant has received the notification of acceptance.

Any registrant who does not show is expected to pay the full seminar fee. Accepted registrants who fail to pay the full seminar fee will be prohibited from applying for registration at future events until the payment is received.

Payment by cheque is preferred. Cash is accepted; please try to bring exact change. No credit cards or Interac (debit cards) are accepted.
